Dear Steven,

Letter of Appreciation

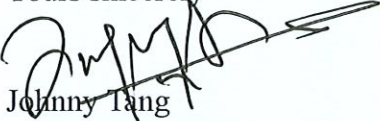

On behalf of the Singapore Red Cross, I would like to extend our deepest gratitude for your generous donation of **S\$25,670.00** in support of our humanitarian response to the communities affected by the Venezuela Earthquake.

Your contribution will support humanitarian assistance, including search and rescue operations, emergency medical care, and rapid assessments of humanitarian needs in the worst-affected areas.

We would also like to take this opportunity to share with you the work we do for vulnerable communities in Singapore. For more than seven decades, the Singapore Red Cross has been dedicated to serving the local community through essential services such as ElderAid, Family LifeAid, TransportAid, and Community Health outreach for Wellness. Our Disability Home and Day Activity Centre supports persons with disabilities, while we also assist elderly persons, lower-income families, children, and youth. Our mission is to help those who fall through the cracks, and we would be glad to share more about our causes with you through a web call or visit. Please feel free to reach out to Johnny Tang at johnny.tang@redcross.sg.

We thank you for your partnership in serving humanity and saving lives; and we look forward to meeting you at our outreach events.

Yours sincerely

Johnny Tang
